Financial Policies:

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that Bondurant Family Chiropractic will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to Bondurant Family Chiropractic will be credited to my account upon receipt. I understand that insurance companies do not pay for services that they determine to be not "medically necessary" and therefore, may deny payment for the services provided to me by Dr. Jason and Dr. Laura. However, I clearly understand and agree that all services rendered to me are my personal responsibility and I am securing my account with the credit card listed below. I also understand that if I suspend or terminate my care or treatment, any fees for professional services rendered me will be immediately due and payable. If payment hasn't been received in 10 days from terminating care, I authorize deduction from my credit card.

Please Note: Insurance companies do not pay for care that is not medically-necessary. If your child does not have a musculoskeletal complaint, he/she does not qualify for insurance coverage.

Informed Consent & Authorization to Treat a Minor:

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic X-rays, on me (or on the patient named below, for whom I am legally responsible) by Dr. Jason, Dr. Laura and/or other licensed doctors of chiropractic who now or in the future work at Bondurant Family Chiropractic Inc.
I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest. I understand that results are not guaranteed.
I have read the above consent. I understand I have the opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
